

AUSSIE legends

SPLIT-PIN CUT OUT STARRING NELLIE MELBA

MATERIALS;

- A cup of cold, strong tea or coffee. Or watered down brown paint.
- This template photocopied onto card (not paper)
- Scissors, paintbrushes, crayons/pencils, glue
- 6 Split pins

METHOD;

1. Photocopy or trace this template onto A3 card
2. Stain the whole sheet with tea or coffee, splashing some areas with stronger tea.
3. Cut out the pieces and then colour them in using crayons and pencils. **Note: where glue is required crayons may restrict the glue from sticking so don't colour there or use pencil.**
4. Lay the pieces out so that you can see how they will go
5. Glue the hairpiece and the bun on the back of Nellie's hair, then the hair on top of her face.
6. Add the split pins where the stars are, joining each piece to each other (an adult may need to punch some holes through the paper with a kebab stick or hole punch for you)
7. Go over the joins and shading as you please-

And there you have it!- An Aussie Legends moving character
